News on HOGS & Deferments

There have been some changes in the Home Owner Grant program effective this year. The Northern and Rural Area Home Owner Benefit of up to \$200.00 is available in northern and rural areas. Port McNeill is included in that area. The application on the back of your tax notice has been changed to N&R Home Owner Grant to reflect the new benefit. Feel free to pick up a brochure to learn more.

Remember you need to sign the application and get it to the town office by July 4th to avoid unnecessary penalty charges.

The application must be signed each year to receive the grant.

Also changes in the Property Tax Deferment Program have been introduced. We have brochures for these changes as well.

Pool Opens Tuesday May 24th

Port McNeill Pool

Due to a gap in qualified student applicants, the Pool will begin this season with an altered schedule to accommodate the certified staff currently available.

We are extending the deadline for applications to 3:30pm on the 13th of May. If you are a certified Lifeguard and/or Red Cross Instructor and are

interested please apply. Resumes can be faxed, dropped off or mailed to the Port McNeill Town Office, or emailed to: reception.portmcneill@telus.net
The Pool will be offering the NLS program in May. Please call for more details or email pmpool@telus.net Please bear with us as we await enough

fully certified applicants to offer a full schedule for this summer. Watch for the May schedule to be posted at the pool and around town.

Water Main Replacement Construction Update

Construction of Phase 2 and Phase 3 will be commencing on April 11, 2011. Phase 2 consists of installing a new water main on McNeill Road from Beach Drive to Campbell Way. Phase 3 will proceed up

Campbell Way and then west (right) on Mine Road to Tower Street. Sections of these three roads may be closed as work proceeds. Please respect traffic control personnel and obey all signage.

Thank-you for your patience.

 See column at left for our
 regular hours.

"Join us at the Port McNeill Scotiabank MS Walk and make a difference in the lives of persons affected by MS in your community. By participating and collecting pledges, you will support local programs and services that enhance the lives of hundreds of people across the North Island who are affected by MS as well as funding leading edge research to find a cure. Our Chapter serves clients from Port Hardy to Bowser, including Gold River and Tahsis. Register online at www.mswalks.ca or by phone toll free at 1-877-339-0819.

Registered participants receive a pledge package, raise pledges and then come out to enjoy a brisk morning walk and the excitement of this inspiring event. The Scotiabank MS Walk will be located at the NISS track. There are three route lengths to choose from – 2, 4, and 8 km or walk as far as you wish! Dogs on leash are welcome. The walk begins promptly at 10 am and lunch will be served starting at 11 am to all registered walk participants. Come out and support people affected by MS in your community!"

Relay for Life in Port McNeill

The North Island Relay for Life is an annual fundraising event for the Canadian Cancer Society. The timing of this 12-hour relay has been changed to encourage family and youth participation. At the Port McNeill track, NOON to MIDNITE, May 28th. Please visit www.relayforlife.ca to register or donate, and check

out the North Island Relay for Life Facebook page to hear about all of the great fundraising projects being planned by local teams. Maybe this will be the year you fulfill your goal to get out and make a difference. It's fun as well as supporting a cause. A little friendly competition can be a good thing. It does-

n't take much to get a team going. Make a call and get started planning your team. Anyone interested can contact Lisa Brown at 956-5150 or Scott Mitchell at 956-3182 for more information. "Celebrate, Remember, Fight Back"

“... at the Port McNeill track May 28th from **NOON** to **MIDNIGHT**”

Tips For Displaying Your House Number

Properly displayed house numbers may be the difference between life and death.

Here are some important tips:

- 1) House numbers should be beside the front door and at least 4inches in height, to be seen at night
- 2) Numbers should contrast in color or be reflective
- 3) Attempt to light your house number at night
- 4) If your door is not in view, attach numbers to a post fence, tree or front gate at your driveway entrance

to the surface that they are attached to

P M Hospital Auxiliary

A special thank you to all that supported our bake/plant/white elephant sale at the Lioness Garage sale. Proceeds are tagged for the purchase of a needed treatment chair for our hospital. Check out our hospital showcase. New items are being added regularly. Contact Valdene Bono 250-956-2213 or Carol Manke 250-956-4929 for showcase donation or

information.

Note: Change of date for our next meeting—7:00pm May 4th at the Old school. Regular meetings will resume in June on the 2nd Wednesday.

The 2011 Census is coming!

Canada's next census will be held in May 2011.

Early in May, yellow census packages will be delivered to every dwelling in Canada, providing residents the information they need to complete the census online or on paper. Completed questionnaires will provide valuable information that will be used by all levels of government to make decisions about your neighbourhood and community. Census information is

important for all communities and is vital for planning services such as schools, daycare, police services and fire protection.

Every person, young and old, must be included in the 2011 Census.

For more information about the 2011 Census, visit www.census2011.gc.ca.

National Household Survey:

In addition to the 2011 Census, some residents will be asked to participate in the new National Household Survey

(NHS). The information collected in the NHS will provide data to plan and support family services, housing, roads and public transportation, and skills training for employment.

Your information will help paint a detailed and comprehensive picture of Canadian society. If you receive the NHS, support your community and complete the survey.

For more information about the NHS, visit www.nhs.statcan.gc.ca.

The 2006 long-form questionnaire offers some interesting facts about working in Canada:

Among the 25 municipalities with the most workers in Canada, the three with the largest increase in the number of workers were Vaughan (+22.2%), Surrey (+17.0%) & Laval (+15.8%).

Between 2001 and 2006, total employment in Canada increased at an annual average rate of 1.7%, the fastest rate increase among the Group of Seven(G7)nations.

Pound Notes—

The problem: Too many cats and dogs and not enough homes! In just 7 years, one un spayed cat and her offspring can produce over 450,000 cats! (Average litter of 3, twice a year)

In 7 years, one dog and her offspring can produce over 4,000 dogs! (Average litter of 4, once a year)

The Solution? a) Have your own pet spayed or neutered.

b) Encourage friends, family and neighbours to have their animals spayed and neutered and
c) Sponsor the spaying and neutering of a shelter animal.

Shouldn't A Female Pet Have One Litter First?

Allowing a female dog or cat to produce a litter does not have any benefits. There are health risks to the mother during the pregnancy and when giving birth.

Does Having My Pet Spayed/ Neutered Make Me A Responsible Pet Guardian?

Having your pet spayed or neutered is one important part of being a responsible pet guardian. Being responsible also means providing your pet with a warm, safe and loving environment, food and water, exercise and proper veterinary care. You should also obey the leash, "poop and scoop",

and licensing laws in your community.

Please remember to clean up after your pet. There are many places around town to pick up your FREE bags!! Thanks to all of you that already do, it really helps keep our sidewalks, streets & shoes clean!

Operation Trackshoes 2011

North Island Community Services' COMMUNITY LINKS PROGRAM for adults with disabilities is attending OPERATION TRACKSHOES at University of Victoria from June 10th to 12th.

This is an event that offers competitive track & field, swimming, softball, basketball, plus family picnic type games, concerts, banquet and dance.

Counselors, coaches, escorts and athletes all participate in the leisure & social activities together.

This year 18 adults plus support staff from the North Island will be participating. This will be our 9th year attending this event.

We will be fundraising and canvassing for donations to

enable our athletes to continue to attend this event. All funds raised go toward registration, accommodation, travel & meal costs for the participants.

Donations and support are greatly appreciated—charitable tax deduction receipts for funds payable to North Island Community Services will be issued.

North Island Community Services Society is fundraising for Operation Trackshoes at Port McNeill's Saleswomen (PMS) event—running the concession on May 7, 2011 from 11-3 at the Broughton Curling Rink.

Come join us for delicious sandwiches and snacks.

Hope to see you there!!

SUMMER PROGRAMS & SPONSORS

Children's Summer Day Camp & Teen Activities are being planned for July 4th – 29th.

Many exciting activities are offered in our summer programs utilizing North Island resources, businesses and individuals. There's even a possibility of a Magicians Camp this year!

These programs provide very important services to our community such as student jobs/career training, optional summer child care for working

parents, plus an affordable healthy fun-filled summer experience for local children and youth.

To meet the demands of the community and out-lying areas the program would like to employ 5 students:

- one Day Camp supervisor
- two leaders and
- one Teen Activity Coordinator.

We are presently seeking community donations to help cover wages, needed supplies and to continue offering a wide range of exciting activities.

If you would like help us offer this valuable community program again and make a contribution, please call us at 250-956-2273 or donations can be made payable to Port McNeill Family Centre and mailed to PO Box 248. Thank You.

Cat's Meow Society

250-230-3254 our cell

Pet ownership is an expensive and time-consuming responsibility. It is not a privilege.

Before you take that adorable, "free" little ball of fur home, consider its needs:

- annual medical care
- nutritious food
- quality play time
- quantity of physical activity
- care over its entire lifespan
- basic needs (litter, dishes, brushes, toys, etc)

That little kitten quickly turns into a cat, and that cat may live for ten years or more.

A kitten is a big commitment. >^..^< >^..^< >^..^<

A big Meow Thank You to **Emma Mitchell and Karlie Shambrook!!** They and their birthday party guests donated money to the cats of Port McNeill, rather than buying presents. You have made many cats happy and healthy.

Cheslakees School

Get your photos out, the PAC needs your help!

The Cheslakees PAC is working with local photographer JR Reardon to create a large photo mural for the School. It will have a main image that will be seen at a distance as you approach the school. That image will be made up of many small images of Cheslakees students. The small images will be seen as you walk by the wall.

The Cheslakees PAC would like to include as many students and events in the collection as possible, so we would like all

current and past Cheslakees students and families to contribute their quality photos to the project. The digital photos need to be of the highest possible resolution (usually 240 or 300 dpi straight from the camera). Printed photos can be scanned to be included. The PAC will collect the photos during April and May only, as we would like to have this project completed by the end of the school year, this is dependent on the printers schedule however.

Cheslakees PAC will have a table at the Port McNeill Saleswomen (PMS) Mothers Day Showcase, being held on Saturday 7th May at the Curling Club 11am until 3pm. We will have examples of the photo mosaic style, consent forms, a computer and scanner so come along and bring your memory stick or CD and photos. (If you have family or friends who attended Cheslakees please send them a form to fax back to the school so they can be involved in the project.)

Thank you in advance.

BROOM BASHING EVENT

Come and HELP!
May 1st at 9 am
Meet at Ministry of Forests parking lot
Bring Pruners, saws, gloves and a friend.

We are getting overrun with the invasive plant 'BROOM'. It loves disturbed soil and is a real threat to our newly planted forests.

If you have any on your property, cut it off before the blooms go to seed and then dispose of it for FREE at 7-Mile Landfill. Please do not drop the broom branches off on the forestry roads, as they will invade our forests.

Thanks in advance for your help!

THANKS to NISS STUDENTS and TEACHERS for picking up litter from our streets last

Thursday. WAY TO GO!

Community Garden

St. John Gualbert Anglican/ United Church is opening its community garden plot up again this year for any one, any age interested in maintaining a community garden plot. For more information contact Deborah Murray by calling 250-956-3297.

Life began in a garden

No Scents Makes Good Sense

The Vancouver Island Health Authority (VIHA) reminds the public to please refrain from bringing highly scented flowers to hospitals or using highly scented hygiene products such as perfumes, colognes and hairsprays when attending VIHA facilities.

Scented products, along with highly scented and pollen

bearing flowers, such as lilies, lilacs and hyacinths, can aggravate health problems for some patients and staff, especially those with asthma, allergies and other medical conditions.

These flowers, though pretty, can be overwhelming in small rooms, and can cause reactions severe enough to require

medical attention.

We recognize that flowers often have a therapeutic value for patients. We ask that family and friends wishing to bring bouquets to their loved ones consult with a florist first to ensure they are not highly scented or pollen bearing.

Remember - we share the air.

Excerpt From the Town of Port McNeill Town Log Advertising & Articles Policy

- Priority for placement of items in this publication is as follows:
- 1.1 Local community recreational events for:
 - 1.1.1 non-profit agencies (clubs, societies, children's organizations);
 - 1.1.2 organizations whose revenue or profit goes to support local events or facilities;
 - 1.1.3 religious services;
 - 1.1.4 public functions/fund raising events; and
 - 1.1.5 courses/seminars of general community interest.
 - 1.2 Public safety items, information and new legislation arising from Council (ie. bylaws, policies) and general news items.
 - 1.3 Recreational or fitness clubs that use Town facilities or taxpayer funded buildings.
 - 1.4 Information from the Health Care System that is of general interest or help to local residents.
 - 1.5 School events, news and editorials. North Island College general interest courses.
 - 1.6 Recreational events within the Regional District (from areas outside Town boundaries), which are available to local residents. These submissions may be limited in size, depending upon available space.
 - 1.7 Businesses who advertise Leisure Time activities for profit (i.e. craft classes, organized recreation programs for youth, sports schools, martial arts, or any self improvement course/seminar) will be permitted to advertise only if space is available and will not be considered priority items.
 - 1.8 Local daycare information operated by non-profit societies or as home occupations.
